AGENDA ITEM # 5

**TO:** Design Review Commission  
**FROM:** Zachary Dahl, Planning Services Manager, Current Planning  
**SUBJECT:** Special Meeting Recap

**RECOMMENDATION:**

Discuss properties visited during the Special Meeting

---

**DISCUSSION**

This item is intended to provide the Commission with an opportunity to recap and discuss the recently constructed houses that were visited during the Special Meeting driving tour of North Los Altos. For each property, look at the approved architectural plans and compare them to the house that was built. The goal of this discussion is to have a better understanding of how to read architectural plans and how to translate the two-dimensional images in the plans to the built environment.
